**PRICE: \$21,000**

## CERTIFIED PRE-OWNED COMPACT PLUS VERTICAL PANEL SAW

**Compact Plus machine comes with a template bar including six adjustable stops for setting common rip cuts, and a repeat rip device.**

### Features include:

- Swiss made quality for accuracy and durability!
- Free-standing, one-piece fully welded frame.
- Heavy-duty support rollers with integral panel stop assembly.
- Full length heavy-duty center shelf with moveable aluminum fingers.
- Automatic, mechanical, upward-shifting support grid to keep off-cuts from binding grid.
- Built-in wood small parts backing support across full length of center shelf.
- 5 1/4 hp, 3-phase motor with electric brake and noise level below 80dB.
- 250 mm (9-7/8") HFG (hollow face), 48T, carbide saw blade.
- Template bar including six adjustable stops for setting common rip cuts.
- Repeat rip device with roller bearing and 25" capacity for top-down strip cutting.
- Auto-engaging splitting wedge (riving knife).
- "Telescoping" handle and tall panel plunge device for ease in cutting tall panels.
- TRK dust system exceeds European standards; note: requires collector.
- Cutting stations 40" apart (1 meter spacing available for purely metric shops)
- Special measuring flip stop with "double-flip action" for use with small parts.
